

IN-HOUSE

NORTH CHESHIRE

Our client is a household name multi-national company with modern offices in the heart of North Cheshire. It has a multi-billion pound turnover and over 80,000 staff operating on five continents and is actively involved in the chemicals, plastics and oil & gas sectors.

The role will incorporate all the in-house property legal work together with instructing and monitoring external professional property advisors. In addition, you will also be actively involved in commercial project work and provide valuable in-house general legal expertise that will necessitate regular foreign travel. The ideal candidate will have six to twelve months post qualification experience, be academically bright with commercial acumen, and will have worked at a leading regional or City practice. In return, our client can offer a vibrant and exciting working environment with all the usual benefits associated with one of the industry's market leaders.

For more information on this unparalleled opportunity please contact Andrew Bloomer on 0870 240 4248 (out of hours 01925 815376) or write to him at Chadwick House, Birchwood Park, Warrington, WA3 6AE (Andrew@abalegal.com).

This assignment is being handled exclusively by Andrew Bloomer Associates and all third party or direct applications will be forwarded to them.
